

Caring Crowd Fundraiser – Used Van Purchase

The COVID-19 pandemic has changed all our lives. At Visions and Pathways (V&P), we provide housing and a nurturing environment for homeless and at-risk youth who have no place else to turn. Without us, our kids would be homeless. Throughout this crisis, we persevere and continue to provide food, clothing and safe shelter, and educational services. Because of this pandemic, we have had to cancel many of our in-person fundraisers, which raise 10% of the costs of helping homeless kids. And this 10% includes buying a used van to replace the one we had for many years.

We need your help in purchasing a 16-passenger van to transport our clients and residents to medical appointments, job and college interviews, school and other educational programs, jobs, social services appointments and more. Help us help kids by donating \$15 or more and asking your friends and family to help as well.

Reach out to Emily Benadon, volunteer board member, at emilybenadon@yahoo.com or Adriana Gonzalez at agonzalez@visionsandpathways.org if you have questions. Attached is the used van we hope to buy with your help. Unfortunately, homelessness is local and you CAN help us help kids! Thank you!
